占断城中
好物华
疑是洛川
神女作
千娇万态
破朝霞

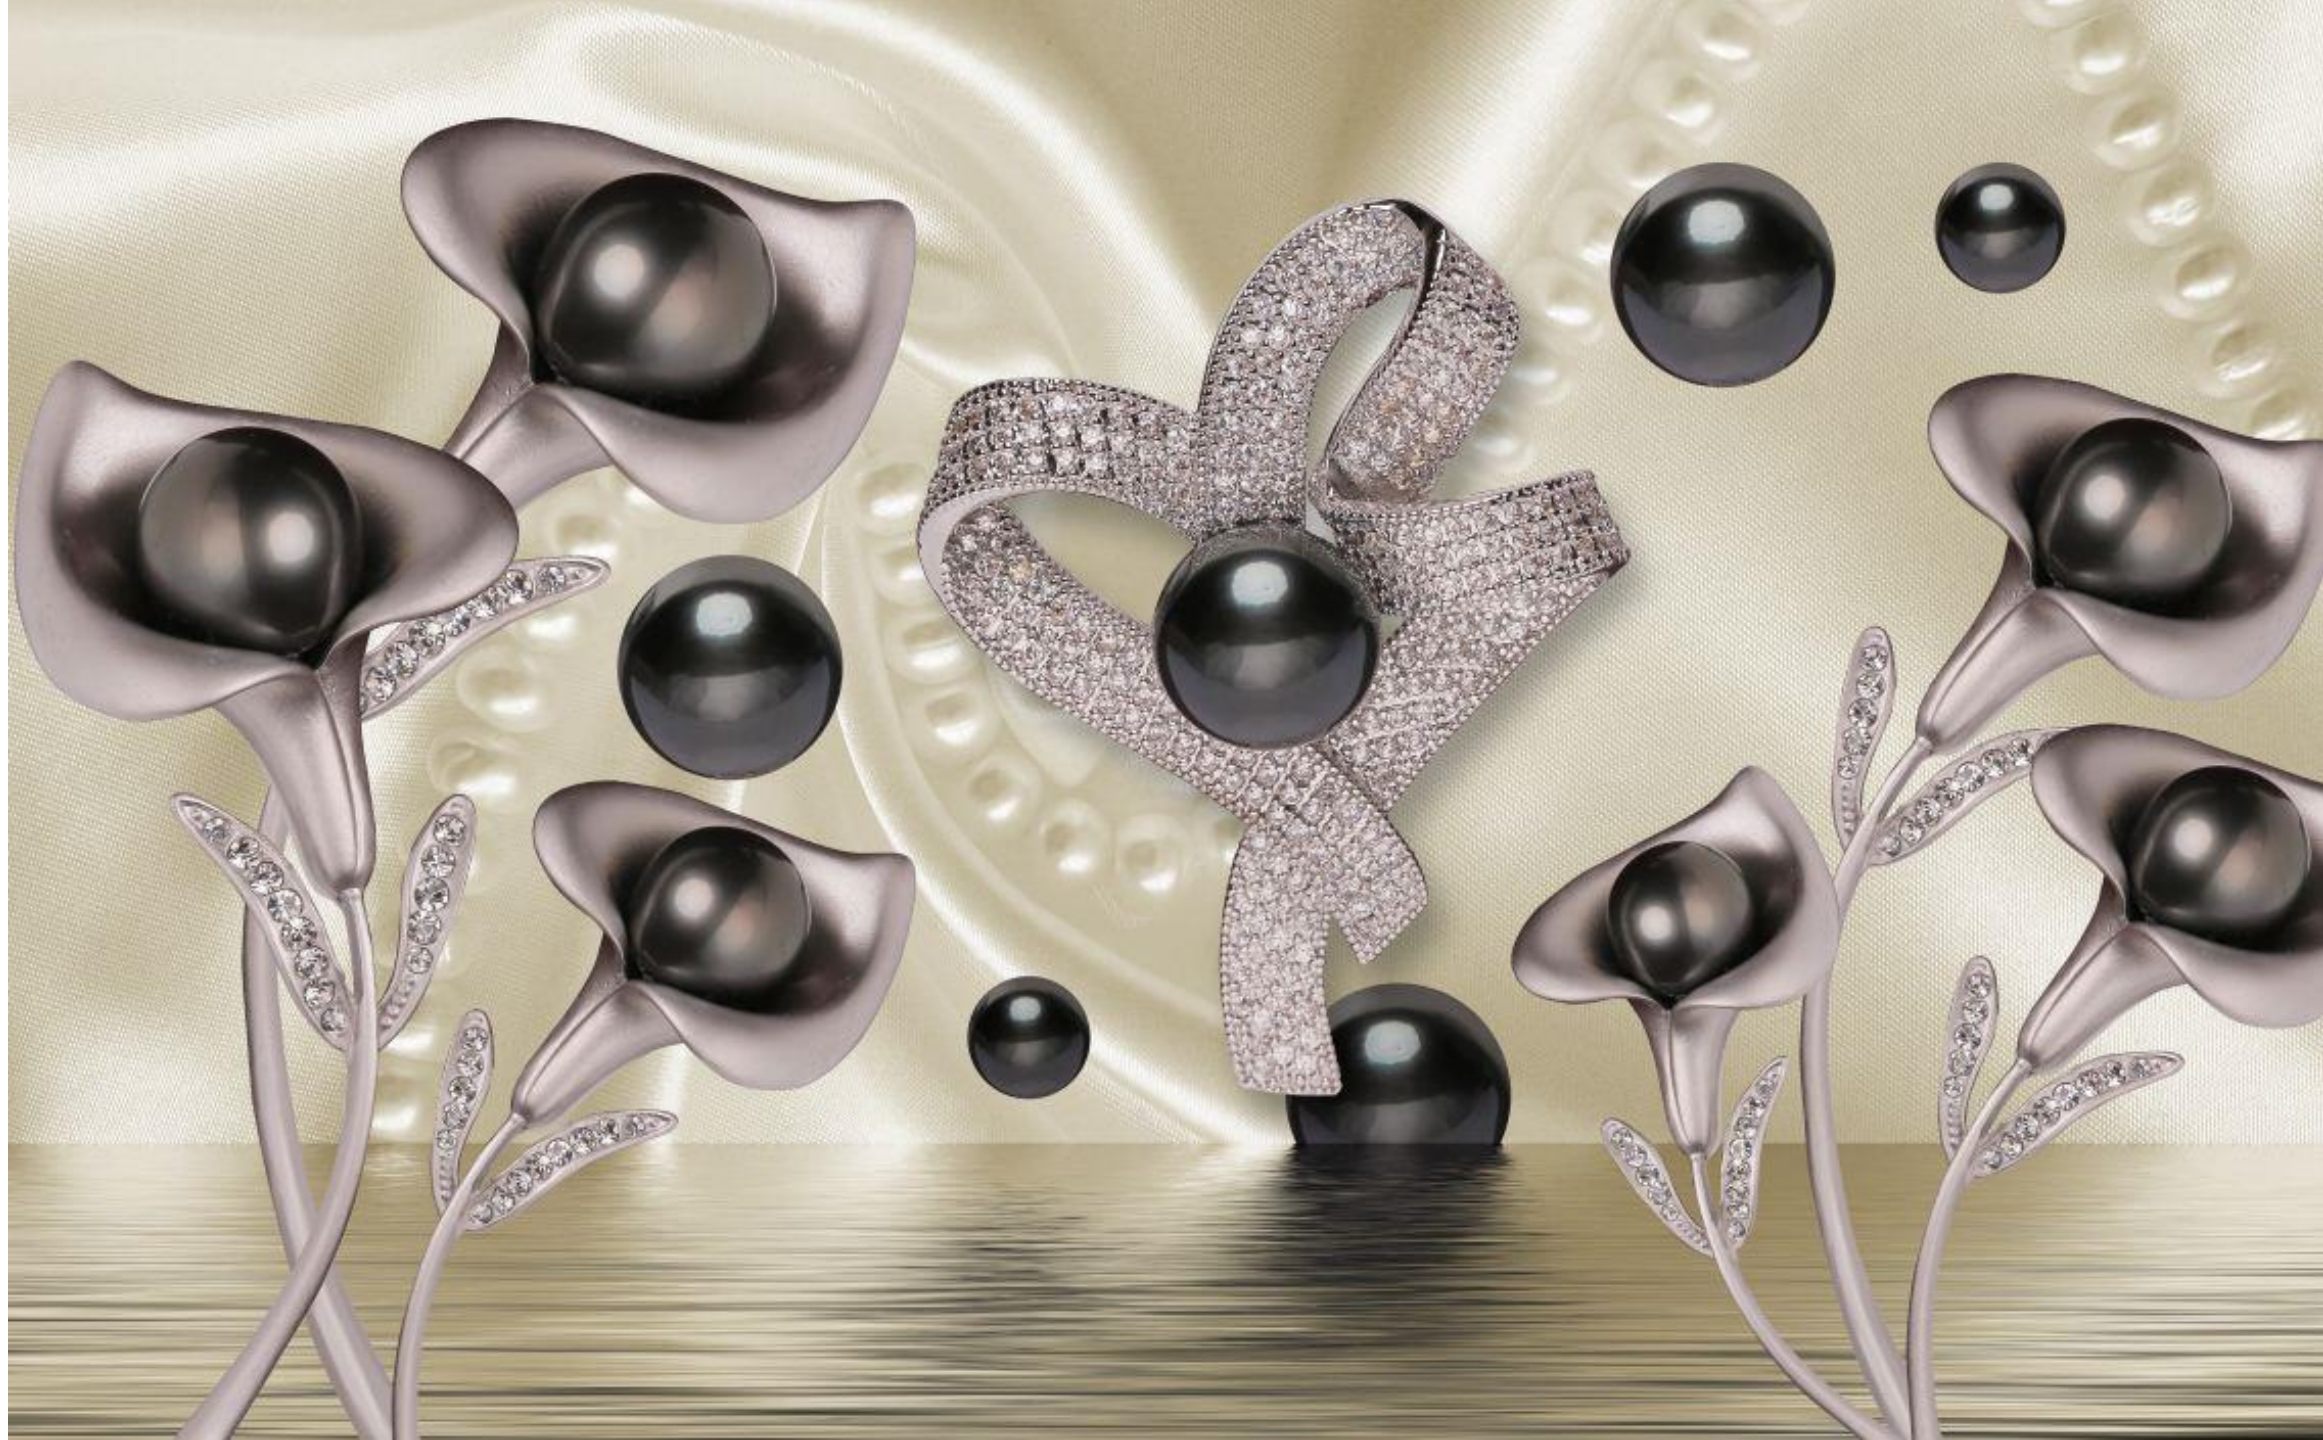

長安豪貴性喜殘，爭玩街西紫牡丹。
別有玉盤承露冷，先有起就月中看。

A decorative background featuring a white and grey marble pattern. Scattered across the top and sides are several tropical leaves: large, dark green monstera leaves with characteristic splits, and long, feathery palm fronds. Some of the palm fronds have a shimmering gold leaf texture. In the center, the text 'TROPICAL' is written in a gold, serif, all-caps font, flanked by small horizontal lines with diamond-shaped ends. Below 'TROPICAL', the word 'leaves' is written in a gold, cursive script font. A small, gold-colored leaf icon is positioned between the two words.
